New Credit Cards & Rewards

We are converting to a new credit card platform this month. All members with an Infinity VISA® Credit Card will receive a new card in the mail which will feature a new design as well as contactless technology for easy tap-to-pay convenience.

Online Account Management:

To monitor your credit card transactions and payments moving forward, please log in to Online Banking on your desktop computer to access and Register for the new credit card portal. [More Details](#)

Credit Card Rewards:

We will be rolling out a new credit card rewards program, CURewards, on June 28th, which will include the ability to redeem points for Amazon purchases on the CURewards site, and shop a CU Mall with hundreds of online retailers. Please stay tuned!

MAINE-KIND FUN FACT

Did you know?: the donut hole was invented here in Maine!

The first donuts, introduced in America by the Dutch, did not have holes but were often cooked unevenly, leaving the centers raw. In 1847, a 16-year-old ship's Captain, Hansen Gregory from Rockport, came up with a solution by punching a hole in the center.
