

HOW-TO

CREDIT CARD PAYMENTS

OPTION 1

- While logged into Digital Banking, select the panel for your credit card and choose the “Manage account” button.
- Once inside the credit card site, select “Make Payment” on the right-hand side. From there, you can choose whether to make a one-time payment or set up automatic payments.

All recurring payments are applied to the card on the payment due date.

OPTION 2

- If you want to pay your credit card by bill transferring money from your Infinity account, you can do so within Digital Banking.
- While logged into Digital Banking, select the panel for your credit card and then choose the “Pay” button on the right side of the page.

These are one-time payments only.
